

Answer **all** the questions.

Each question is followed by four options lettered **A** to **D**. Find the **correct** option for each question and shade **in pencil** on your answer sheet the space which bears the same letter as the option you have chosen. Give only **one** answer to **each** question. An example is given below.

The last book of the Bible is

- A. John
- B. Romans
- C. Revelation
- D. Jude

The correct answer is **Revelation**, which is lettered **C** and therefore answer space **C** would be shaded.

[A]

[B]

~~[C]~~

[D]

Think carefully before you shade the answer spaces; erase completely **any** answer you wish to change.

Do all rough work in this question paper.

Now answer the following questions.
